WORK EXPERIENCE

BDO USA

Assurance Intern

Boston, MA

Jun 2025 – Aug 2025

- Analyzed regulatory compliance risk and audit documentation across all 50 U.S. jurisdictions for a ~\$6B public sportsbook client, identifying key regulatory exposures to support Q2 audit procedures.
- Executed fraud-risk inquiry procedures by interviewing 15+ client personnel across Accounting and C-suite functions (including CFO), documenting findings in engagement workpapers in compliance with Generally Accepted Auditing Standards.
- Prepared Revenue Rollforward workpapers by reconciling 10+ GL accounts across 3 revenue segments (Sportsbook, Gaming, and Other), ensuring accuracy of period-over-period variance analysis and audit documentation.

WeGotThis.org

Student Consultant

Wellesley, MA

Jan 2024 – Apr 2024

- Benchmarked 5–10 cancer awareness TikTok influencers, analyzing posting frequency, content performance, and hashtag strategy to develop data-driven recommendations presented directly to client leadership.
- Enhanced blog interface using HTML and JavaScript, increasing website traffic by approximately 30%.
- Supported \$25,000+ fundraising goal by coordinating events including a golf fundraiser at TopGolf.

Republic of Korea Army

Squad Leader / Interpreter

Goyang-si, South Korea

Jul 2021 – Jan 2023

- Facilitated cross-border communication between senior Korean and U.S. Army officers during brigade-level (1,000+ personnel) joint military exercises, managing precise documentation and bilateral compliance protocols.
- Led training planning and logistics coordination for a 15-member squad across multiple high-pressure exercises including KCTC, ensuring mission readiness and regulatory compliance.
- Guided 100+ international arrivals at Incheon International Airport during quarantine operations, managing documentation and ensuring compliance with entry protocols.

CASE COMPETITION

PwC Challenge Case Competition

Team Leader | 1st Place (out of 20+ teams)

Wellesley Hills, MA

Sep 2023 – Oct 2023

- Analyzed post-layoff employee support strategies across 5 companies, evaluating emotional and compensation-based responses to develop 3 evidence-based recommendations for restoring workforce engagement.
- Led a 5-person team by mediating internal conflicts, recovering 3–4 hours of lost productivity per meeting and maintaining project timeline throughout the competition.
- Delivered structured final presentation with clear causal reasoning and actionable recommendations to PwC senior associates, securing 1st place.
